Subject: Heartfelt Thanks for Your Generous Support

Respected Sir/Madam,

On behalf of all the teachers, students, and staff of **Kuldia Adibasi Free Primary School**, I extend our sincere gratitude to the **R N GUHA FOUNDATION** for your kind and generous donation of **copies, pencils, erasers, and swapner** to our children.

Your thoughtful contribution has brought smiles to many young faces and has encouraged them to take a greater interest in learning. These basic but essential materials have made a big difference in their daily school life.

We are especially thankful for your continued support in providing **education to our students**, which is helping shape their future in the most positive way. Your foundation's dedication to uplifting underprivileged children is truly inspiring, and we feel proud to have your support.

Thank you once again for standing beside us in our mission to educate and empower the children of Kuldia.

With heartfelt appreciation,

Yours sincerely,
