Dr. Suryanil Ghosh, Chairman TotalStart Entrepreneurship Ecosystem Developers, based in Kolkata, West Bengal aims to build entrepreneurial ecosystem to 'sustainably' nurture and develop 'home grown' entrepreneurs in less developed regions and underprivileged communities since 2010.

TotalStart launched its mission of "Fostering Entrepreneurship in the Underdeveloped Regions and the Underprivileged Communities" of our country through a structured engagement process. TotalStart's Flagship Program: "Incubating and Scaling Micro & Small, Rural and District Level Entrepreneurs" which presently is working out in 25 Regional District Hubs (a RDH is constituted of 3 or 4 districts in a state) across 12+ states.

The struggle of the TotalStart has been equally uphill, as that of its beneficiaries. Its founding members and it's Chief Visionary and Chief Catalyst Dr. Suryanil Ghosh, have gone through a tough struggle against all odds with hardly much support from any corner, the unrelenting spirit of "engaging and mentoring towards scaling rural and district enterprises" has carried on strongly and with higher intensity every year.
